Give Feedback about CIS

Who are we?

China Inspection Service Co., Ltd. (CIS) is founded in Hong Kong providing Factory Audit and Product Inspection services in China for importers around the globe. With a sound knowledge of the Western markets and Quality requirements, we fully understand our customers' needs in respect of accuracy and quality.

Our strictly internal audit policy guarantees first-hand information veracity and integrity for our clients. Together with our profound experience and knowledge in quality area, it helped us earned great reputation from our customers.

Besides inspection and audit services, CIS also provides importers with engineering services such as project management and part design based on our team's strong technical background.

We are not trading agents, therefore we don't charge any provisions from our customers, and we have no obligation to any supplier. We are fully independent of any importer, exporter, supplier or manufacturer.

Our vision:
To be the most reliable partner of global small and medium-size importers for their business in China!

Our mission:
Focus on the interests of small and medium-size importers who purchasing goods from China and dedicated to making their business in China safer and easier.

We offer the highest level of service at most competitive prices.

- Our core values:**
- Cost effective services, save time and money for our customers
 - Fully independent of any importer, exporter, supplier or manufacturer
 - Profound experience and knowledge to the western markets and culture, bridge west and China well
 - Business concept of ours: Consider everything at the stand of our clients!

Baby care products

ASANA HEALTH PRODUCTS INTERNATIONAL LIMITED

Women care products

The advertisement features a large promotional poster on the left and several boxes of Biowave Advantage liners on the right.

Poster Text:

asana™
advanced feminine protection

THINK
FEMININE PROTECTION
PRODUCTS SHOULD ALSO
PROTECT YOUR HEALTH?
SO DO WE.

NEXT GENERATION
HEALTH PRODUCTS FROM CANADA

Asana Health Products International is a Canadian Company was founded to develop next-generation women's health products using advanced nano-technology applications. After acquiring a patented nano-technology that combines tourmaline and various nanometals, a team of Asana researchers developed the Company's patent Biowave Advantage™ layer, a key component in every Asana product.
